1 Preamble

1.1 Notice to the user or licensee

Please, read this Professional End User License Agreement carefully!

This End User License Agreement, hereafter called "EULA" only applies to the professional version of the software "Power Administrator for TSM" – professional edition - hereafter called "Professional PA" consisting of one Professional PA Server - and one or more Professional PA GUI (Graphical User Interface) components.

By executing the following actions the licensee agrees to the terms of this agreement: downloading, installing, copying, accessing or otherwise using the "Power Administrator for TSM" Program – professional edition.

If you do not agree to these terms, do not use the Program, install, copy or access it

The EULA is a legal agreement between you (either an individual or a single entity) hereafter called the "Licensee" and "ISS Development & IT Services" hereafter called the "Licensor", providing the license.

If you are accepting these terms on behalf of Licensee, you warrant and represent that you have full authority to bind Licensee to these terms.

If you have any questions regarding the license terms, please contact the Power Administrator for TSM -Team via the following Web-Address:

<https://www.tsm-pa-solutions.com/contact>

2 Terms & Conditions

2.1 General Terms

"International License Agreement" is a document that provides any information specific to software „Professional PA“. The License information is available at

https://www.tsm-pa-solutions.de/en/documents/PAdmin_License_EN.pdf

or in the Software „Professional PA“'s installation directory as an ASCII text readable file.

"Proof of Entitlement" is the evidence of Licensee's Authorized Use of the software „Professional PA“.

The software „Professional PA“ consists of:

- 1) machine-readable instructions and data
- 2) various files, including the original and all whole or partial copies
- 3) all audio-visual content
- 4) related licensed materials (such as keys and documentation)

This International License Agreement is the complete Agreement between Licensee and the

~~Licensor for the use of the software „Professional PA“. It replaces any prior oral or written communications between Licensee and the Licensor concerning Licensee's use of the software „Professional PA“.~~

2.2 License Grants

This EULA applies NOT to any third party software programs which may be used in conjunction with it.

The Licensor reserves the right to revoke any or all distribution rights at any time, for any or no reason. This EULA and the rights granted hereunder will terminate automatically upon any breach by the Licensee of the terms of this EULA.

The software „Professional PA“ will be distributed exclusively via the Licensor, or distributors which are authorized by the Licensor. Support will be given exclusively by the Licensor.

The software „Professional PA“ is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The software „Professional PA“ is licensed and not sold.

Under this EULA the Licensor grants Licensee a nonexclusive license to:

- a) install and to use the software „Professional PA“, if lawfully acquired and if the terms of this Agreement are complied with.
- b) make and install copies of the software „Professional PA“. This license applies to each copy of the software „Professional PA“ that Licensee makes.

providing:

- Licensee does not use, copy, modify, or distribute the software „Professional PA“, except as expressly permitted in this Agreement.
- Licensee does not reverse assemble, reverse compile, otherwise translate, or reverse engineer the software „Professional PA“, except as expressly permitted by law without the possibility of contractual waiver.
- Licensee does not use any of the software „Professional PA“'s components, files, audio-visual content, or related licensed materials separately from that software „Professional PA“.
- Licensee reproduces all copyright notices and other legends of ownership on each copy, or partial copy, of the software „Professional PA“.
- Licensee ensures that anyone who uses the software „Professional PA“ does so only on Licensee's behalf and complies with the terms of this Agreement.
- Licensee does not use the software „Professional PA“ to perform any unauthorized transfer of information or use it for any illegal purpose.

When Licensee receives a patch, fix or update to software „Professional PA“, Licensee accepts any new or amended terms, which are specified in its License Information. If no new or amended terms are provided, then the current License Information remains valid. If the software „Professional PA“ is replaced by an update, Licensee agrees to discontinue use of the replaced Software „Professional PA“ and not to make it accessible to other persons.

If the Licensor licenses the software „Professional PA“ to the Licensee for a fixed term, the license is terminated at the end of the fixed term, in the absence of Licensee and the Licensor agreeing to

renew it.

Trial Version or Test License:

"Trial Version" or "Test License" means a version of the software „Professional PA“, so identified, to be used only to review, demonstrate and evaluate the software „Professional PA“ for a limited time period (usually 45 days). The Trial Version or Test License Version may have limited features, may lack the ability for the end-user to save the end product, and will cease operating after a predetermined amount of time due to an internal mechanism within the Trial Version or Test License.

2.3 Term and Termination

This Agreement is effective until terminated. The Licensor may terminate Licensee's license if Licensee fails to comply with the terms of this Agreement.

If the license is terminated for any reason by either party, Licensee agrees to promptly destroy all of Licensee's copies of the software „Professional PA“. Any terms of this Agreement that by their nature extend beyond termination of this Agreement remain in effect until fulfilled, and apply to both parties, respective successors and assignees.

2.4 Charges and Taxes

Charges are based on Authorized Use obtained, which is specified in the Proof of Entitlement. For charges already due or paid, the Licensor does not give credits or refunds.

If Licensee wishes to increase its Authorized Use (e.g. expand the license granted under this Agreement to include Use of the Software at additional Sites and/or to increase the allowed number of Servers), Licensee must notify the Licensor in advance and pay any applicable charges.

Payments hereunder can be made in U.S. dollars or Euro €.

Transactions terms: If payment is in U.S dollars, the actual exchange rate published by the EUROPEAN CENTRAL BANK (ECB) will be used in order to calculate the U.S. Dollar price(s).

If EULA contract payments or an individual invoice value are less than 500 U.S. Dollar, the money exchange fees will be added to the invoice issued by the Licensor to the Licensee.

Account number(s) and other necessary transaction items will be agreed upon separately by the Licensor and Licensee.

Payments will be done via electronic transfer using the international IBAN and BIC/SWIFT bank codes.

If any authority imposes a tax, duty, levy, or fee on the software „Professional PA“, excluding those based on the Licensor's net income, then Licensee agrees to pay that amount, as specified in an invoice, or supply exemption documentation. Licensee is responsible for any personal property taxes for the software „Professional PA“ from the date that Licensee obtains it. If – because of applicable law and/or regulations - any authority imposes a customs tax, duty, levy, or fee for the import into or the export, transfer, access, or use of the software „Professional PA“ outside Austria or the country in which the original Licensee was granted the license, then Licensee agrees that it is responsible for, and will pay, any amount imposed. From the date of purchase, the Licensee is responsible for all property taxes related to the software „Professional PA“.

Additional years of support (potential software updates, e-mail help) agreed upon after the one year warranty period will have a charge of 10% of the contracted OTC (One Time Charge) of the “PA Professional” license. If the Licensee does not order additional years of support, the “Professional

~~PA" license is terminated and the Licensee is not allowed to use the "Professional PA" software any more.~~

Support Charges are subject to adjustments for inflation either based on the Consumer Price Indexes (CPI) of the Bureau of Labor Statistics - <http://www.bls.gov/cpi/> or for European Union member countries (EU) based on the Harmonised Index of Consumer Prices (HICP) of the European Central Bank (ECB) <https://www.ecb.int/stats/prices/hicp/html/index.en.html>. Details will be specified in the according "PA Professional" software maintenance or support contract(s).

2.5 Limited Warranty

The Licensor provides no remedies or warranties, whether express or implied, for any Trial Versions or Test License Versions of the software "Professional PA". Trial Versions or Test License Versions of the software "Professional PA" are provided "AS IS" without warranty of any kind. With regard to any Trial Version or Test License Version of the software "Professional PA" the Licensor gives no warranty, express or implied, that

- (i) the Software will be of satisfactory quality, suitable for any particular purpose or for any particular use under specified conditions, notwithstanding that such purpose, use, or conditions may be known to the Licensor; or
- (ii) that the Software will operate error free or without interruption or that any errors will be corrected

Except with respect to any Trial Version or Test License Version of the software "Professional PA" the Licensor warrants that the software „Professional PA“ will conform to its specifications, when used in its specified operating environment. The software „Professional PA“'s specifications can be found in the documentation accompanying the software „Professional PA“. Licensee agrees that such documentation and other software „Professional PA“ content may be supplied only in the English language, unless otherwise required by local law without the possibility of contractual waiver or limitation.

The warranty applies only to unmodified portions of the software „Professional PA“. The Licensor does not warrant error-free or uninterrupted operation of the software „Professional PA“ and the Licensor does not warrant that it can correct all software „Professional PA“ defects. Only the Licensee is responsible for the results obtained from the use of the software „Professional PA“.

The Warranty Period is one year, starting on the date the original Licensee is granted the license. During the Warranty Period, the Licensor gives the Licensee support for the software „Professional PA“ at no cost via the Web page <http://www.tsm-pa-solutions.com> using the contact page <https://www.tsm-pa-solutions.com/contact>. Primarily email communication will be used for communication. Telephone conversation should be the exception and will be available during business hours 09:00 AM and 05:00 PM related to UTC + 1:00 hour during middle European winter period (equals to CET – Central European Time) and UTC + 2:00 hours (equals to CEST – Central European Summer Time). Maximum reaction time for a support request is 24 hours.

If the software „Professional PA“ does not function as warranted during the Warranty Period because of a "major failure" and the problem cannot be resolved within a reasonable time period (2 months), Licensee may return the software „Professional PA“ and Proof of Entitlement to the Licensor. After returning the software „Professional PA“ and deleting all existing copies, Licensee's license terminates and the Licensee will receive a refund of the amount Licensee paid less the proportionately amount for periods where software „Professional PA“ did function correctly. Should a "major failure" problem of software "Professional PA" happen during the Warranty Period, Licensee and Licensor will work together in order to resolve potential problems during the resolution time period

THESE WARRANTIES ARE LICENSEE'S EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES OR CONDITIONS. THESE WARRANTIES GIVE LICENSEE SPECIFIC LEGAL RIGHTS, BUT LICENSEE MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE

TO STATE OR JURISDICTION TO JURISDICTION.

2.6 LIMITATION OF LIABILITY

If circumstances arise where Licensee is entitled to recover damages from the Licensor, because of a default on the Licensor's part or other liability, then, regardless of the basis on which Licensee is entitled to claim damages from the Licensor and the extent of the damage, The Licensor's entire liability for all claims in the aggregate arising from or related to each software „Professional PA“ or otherwise arising under this Agreement will not exceed the amount of any damages for bodily injury (including death) and damage to real property and tangible personal property and other actual direct damages up to the charges Licensee paid for the software „Professional PA“ that is the subject of the claim.

This limit also applies to the Licensor software „Professional PA“ developers and suppliers and it is the maximum for which the Licensor and its software „Professional PA“ developers and suppliers are collectively responsible.

Under no circumstances is the Licensor its software „Professional PA“ developers or suppliers liable for any of the following, even if informed of their possibility:

- a. Damage or loss of data;
- b. Incidental, special, exemplary, or indirect damages, or for any economic consequential damages;
- c. Lost revenue, profits, business, goodwill, or anticipated savings.

2.7 Government End Users

If you are acquiring the software “Professional PA” on behalf of any unit or agency of the United States Government, the following provisions apply:

This software “Professional PA” and the documentation are provided with "RESTRICTED RIGHTS" applicable to private and public licenses alike. Use, duplication, or disclosure by the U.S. Government is subject to restrictions as set forth in this EULA and as provided in DFARS 227.7202-1(a) and 227.7202-3(a) (1995), DFARS 252.227-7013 (c)(1)(ii)(OCT 1988), FAR 12.212(a)(1995), FAR 52.227-19, or FAR 52.227-14(ALT III) (June 1987), as amended from time to time, as applicable. Manufacturer is ISS Development & IT Services, Ralf Affeldt, Alexanderstraße 17, 64342 Seeheim-Jugenheim, Germany.

2.8 General

- Nothing in this Agreement affects any statutory rights of consumers that cannot be waived or limited by contract.
- Licensee agrees to comply with all applicable export and import laws and regulations.
- Licensee authorizes the Licensor and its subsidiaries to store and use Licensee's business contact information wherever they do business with the Licensee.
- Each party will allow the other reasonable opportunity to comply before it claims that the other has not met its obligations under this Agreement. The parties will attempt in good faith to resolve all disputes, disagreements, or claims between the parties relating to this Agreement.
- Unless otherwise required by applicable law without the possibility of contractual waiver or limitation: Neither party will bring a legal action, regardless of form, for any claim arising out of or related to this Agreement more than two years after the cause of action arose; and upon the expiration of such time limit, any such claim and all respective rights related to the claim

lapse.

- Neither Licensee nor the Licensor is responsible for failure to fulfill any obligations due to causes beyond its control.
- No right or cause of action for any third party is created by this Agreement, nor is the Licensor responsible for any third party claims against Licensee, except as permitted in Subsection 6 (Limitation of Liability) above for bodily injury (including death) or damage to real or tangible personal property for which the Licensor is legally liable to that third party.
- The Licensor reserves the right to revoke any or all distribution rights at any time, for any or no reason. This EULA and the rights granted hereunder will terminate automatically upon any breach by the Licensee of the terms of this EULA.

2.9 Salvatorian clause

If a part of this EULA agreement is held unenforceable or becomes ineffective, the remainder of the EULA shall be valid. This means that if one section of the EULA is not lawful, the rest of the EULA remains still in force.

2.10 Applicable Law

The Licensor and the Licensee hereby agree that the EULA license concluded between them and constituted on these terms and conditions shall be construed in accordance with German Law. Court of jurisdiction for any disputes regarding this EULA is the court "Amtsgericht Darmstadt, Mathildenplatz 15, 64283 Darmstadt, Germany.
